The Direct Marketing Club of New York Presents
34th Annual Silver Apple Awards

The Edison Ballroom
240 W 47th Street
New York, NY 10036

The DMCNY Silver Apple Awards were designed to honor our industry's most distinguished achievers. Marketers who have not only made strides within their areas of expertise, but who have also generously contributed their time and talents to the industry for 25 years or more.

NEW 2018: This year, the Silver Apple Awards will also recognize honorees who are innovators, disruptors, and early adaptors in the industry regardless of tenure.

These recipients reflect the best that our profession has to offer our clients, our corporations and our industry. Their careers represent the globalization of our business and every sector of it – from academia to the consumer market to the business-to-business arena. They are entrepreneurs and corporate leaders, innovators in the world of e-commerce as well as in traditional media.
